DEDICATION

Mr. William Nelson, Franklin's very own instructor of Chemistry and Physics, (comma) retarded, is devoted to his students (above and beyond the call of duty.) He maintains a strong insistence that his students LEARN and not just memorize facts. As he led us tiptoeing through the cow pasture of life, some of us experienced failure for the first time, but in doing so we learned to accept our mistakes and strive for the best.

Through everything, jokes and tricks included, we realize he loves us . . . with this in mind, we dedicate the 80-81 CORNERSTONE to him.

Cor' ner-stone, n. 1. a stone forming a part of a corner or angle in a wall; esp. such a stone laid at the formal inauguration of the erection of a building. 2. foundation; something of fundamental importance.

Historic monuments, confederate cemeteries, and nineteenth century homes are all sites dating back to the Civil War. Franklin, a landmark of this war, remains to keep those memories alive.

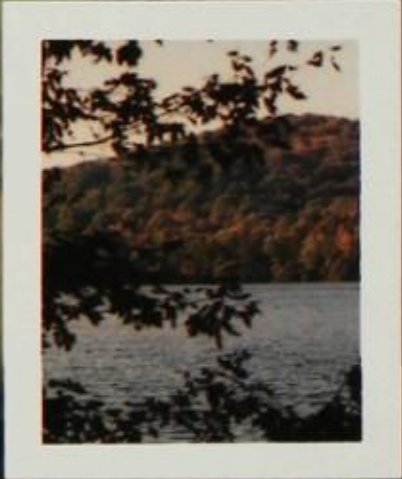

We hope, with this in mind, that the 1980-1981 Cornerstone will keep those memories alive that were special to you in your year at Franklin High.

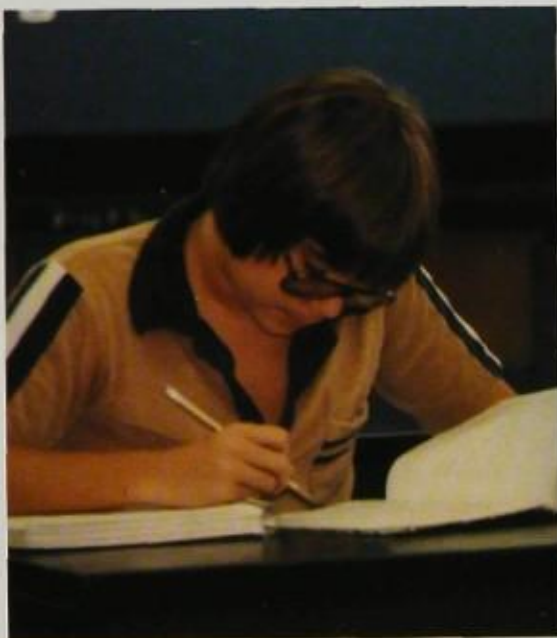

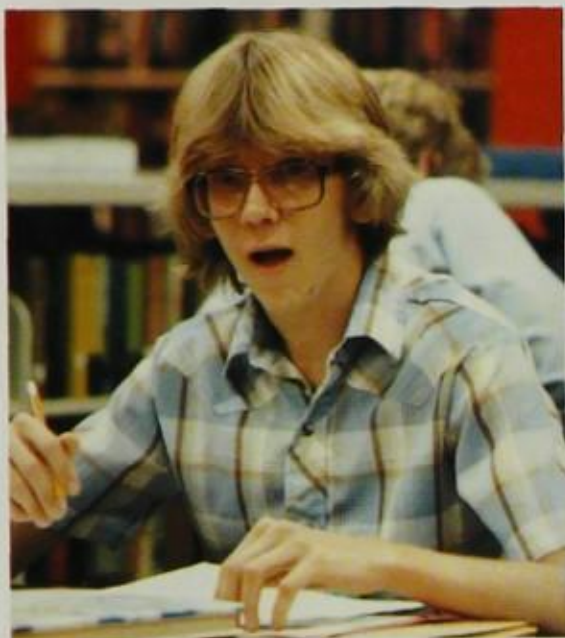

As the year began, students were again faced with innumerable tardy slips, trips to the attendance office, the never-ending stream of homework and the dangerous pilgrimage through the parking lot on Friday afternoons.

But seriously, we were all starting a busy year filled with elections, Homecoming, class rings and senior portraits. These aspects of our school spirit served as a cornerstone in the start of a new year.

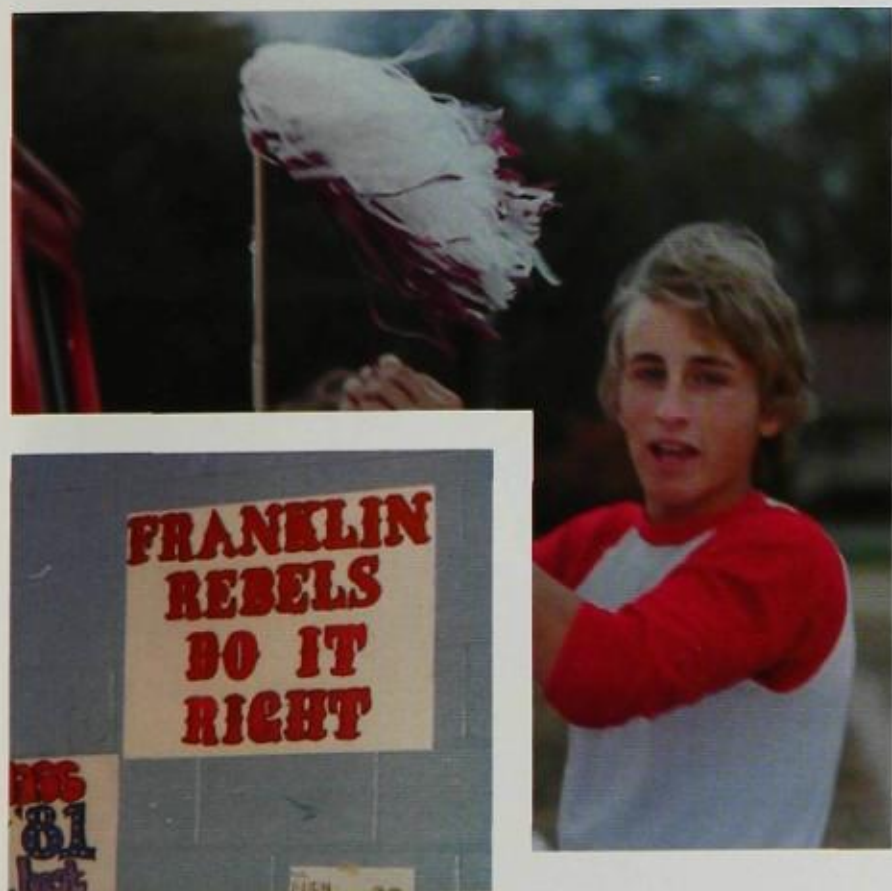

The 1980 Homecoming began with spirit week, as always. This year's theme was "Hurray for Hollywood!" The days included the Little Rascals, The Sting, M*A*S*H, Urban Cowboy, and theme day. Each class decorated their own hall and constructed floats. The seniors won the float competition. The week climaxed with the Homecoming Parade, which was a great success. The parade was followed by a spirited pep rally. In the afternoon, various clubs performed skits that centered around the theme of HURRAY FOR HOLLYWOOD!

The week was brought to a close with the victorious game played against Lawrenceburg. Pre-game highlights included the presentation of the queen, Jill Whitehurst, and her court, and a great band performance.

Looking back through the annuals of former years, we have found that there are several teachers who have been teaching here at Franklin High School for the past fifteen years. The *CORNERSTONE* staff would like to honor these dedicated individuals with special *teacher features* to find out more about them, our school, and to see how our school has changed in the past fifteen years.

Howard Gamble, Math

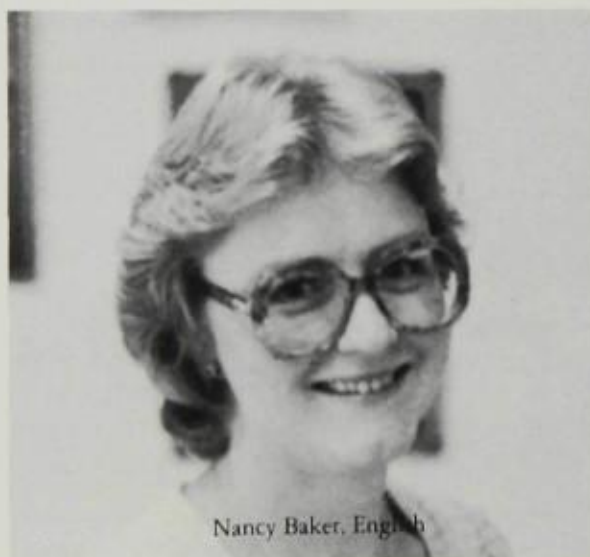

Howard Gamble has been setting a fine example at Franklin High as a teacher, as the girls' basketball coach, and as leader of the FCA. Coach Gamble has a positive attitude towards the way our school has changed during these years. He feels that students are now taking more pride in themselves.

Virginia Grimes, English

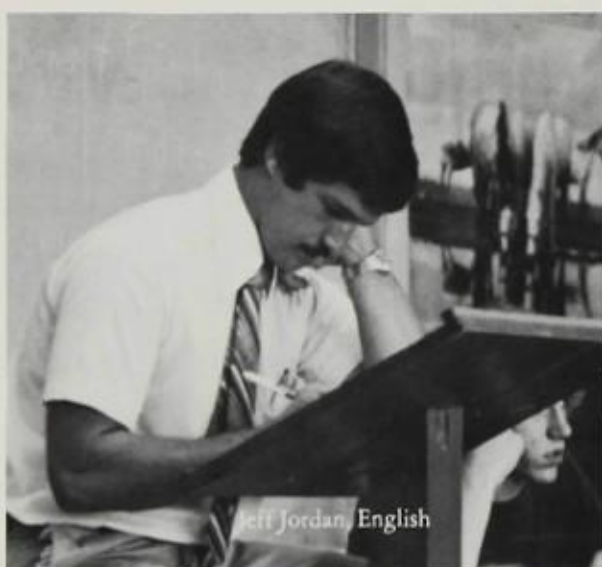

Virginia Grimes, head of the English department, has enjoyed teaching; but she would not recommend it to anyone who is looking for money. During the past fifteen years, Mrs. Grimes has noticed that the respect that students have for both their teachers and their fellow students has declined. On the other hand, she feels that our school stands out as a good example in relation to today's society.

Corrine Jones, Home Economics

Corrine Jones likes the way the school has changed. When she first came to Franklin, there were nineteen faculty members; now there are more than sixty. The vocational field has greatly expanded, and there are a lot more opportunities for today's young people. But she has also noted the air of apathy that is evident in all aspects of our society. She feels that people just don't care as much.

1965

William Nelson, Science

William "Uncle Willie" Nelson is a favorite of his students as he leads them through the cow pasture of life. According to Mr. Nelson, Franklin High has changed very little in the past fifteen years. He feels that the kids are the same kind that have been growing up in Franklin for years. He has noted only one significant difference and that is the apparent decline of the academic standards that the students set for themselves.

I, *Leigh Ann Ford*, hereby leave my body to the science department, in hope that they can figure out the problem.

I, *David Brown*, hereby leave what I gained — nothing.

We, *Uncle Willie's 5th period lab assistants (Kate Applegate, John Boy Frank, Jan Itor Smiley, Jamie No Namie Irby)*, do hereby leave our polyethylteramethacrylate to next year's lab assistants.

I, *Troy Irwin*, leave my snuff cans to the cafeteria women to cook out of.

I, *Johnny McWilliams*, do hereby leave all my drugs and drug pouches to Mary Sparks and Carla Case, my constant problem of having to go to the bathroom before every half-time and contest performance to Holly McCall, and a piece of cake in a Dixie cup (cupcake) to Mary Hane Wade.

I, *Michael Hooper*, leave my hat to the Great American Bald Eagle.

I, *Suzanne Herron*, leave my snorting ability (snorting like a pig) to Cherise Blalock, Reyanne Moorehead, and Missy Jamieson.

I, *Cody Marley*, leave my book in my locker.

I, *Carla Lingle*, do hereby will my Chemistry book, slide rule, calculator, my knowledge of titration, percentage of moisture determination (crucible), and dumb equations, as well as my place in the sheep's dip to next year's whiz kid.

I, *David Jamieson*, leave my ability to do tricks in a Maverick (i.e. rolling over and playing dead) to NO ONE, espe-

cially not to Mary Jo Bagley, Reyanne Moorehead, or Missy Jamieson.

I, *Robert Love*, give my whiteness to Maurice Patton.

We, *Maria Miller, Jenny Hurst, and Denise Tschida*, being mostly of mind (Denise has the body) do hereby leave our extensive vocabulary of "field language" for all those special moments during marching season to Angela Rockovich and Sherrie Parrish.

I, *Matt McClendon*, being of sound mind and body, do hereby bequeath a lifetime supply of Mazola corn oil to one Marco Fernandez and one James B. Short. I also leave Priss and Biddy Rye forever.

I, *Greg Garrett*, being of sound mind, do hereby leave Mr. Pike an honorary club membership in the Kelly Lynn Health Spa.

I, *Franklin Koellein*, being of little sound and some body, do hereby bequeath to my brother Alex, my great marching skills in order for him to make it through the next 2 years. I also leave my seat in concert band to whoever wants it.

I, *Rochelle Pointer*, hereby leave my ability to never get sent to the office for any reason to my brother Rodney, an upcoming sophomore at F.H.S. who will certainly need it.

I, *Stuart Fleischer*, hereby bequeath all my empty medicine bottles in attendance to Mr. Parker, who may then clean them out and use them as drinking glasses.

I, *Mary Keilman*, being of sore fingers leave my art eraser for any upcoming Art II student having Mr. "Mert" Blankin for his teacher.

I, *Kim Phillips*, leave lots of luck to the upcoming seniors, because there will never be another class as great as the class of '81.

AND TESTAMENT

I, *Kim Wells*, being of sound mind and a short body, do hereby leave to Cherise Blalock and all short underclassmen the "short jokes" that I have had to suffer through.

I, *Kevin Willis*, leave whatever I've got to whoever wants it.

I, *Doug Smith*, leave Franklin High, with my fellow D&D players, in search of a Dungeon, Middle Earth, and other fantasy worlds.

I, *David Fox*, leave my filthy, smelly marching shoes with the original toe jam in them to Mr. P. Wayne Simpson.

I, *Janet Powelson*, leave my Adidas and Levis to all "preppy" Juniors and Sophomores in hopes they will learn how to dress right.

I, *Joel Parks*, being of no mind, leave all my limp cornflakes I had for breakfast while rushing to get to school to everyone.

I, *Paul M. Pratt, Jr.*, leave all my Heck Raisin', Burt Reynolds looks to any man who can handle it!!

I, *Larry Jones*, leave my worn out pencil to the upcoming Study Hall classes for writing off 500 times, also my ability to go into a catatonic trance during Study Hall.

We, *Brian Randolph, Stewart Heath, Michael Dunn*, leave THE WALL to Tommy Locke, Eric Grigsby, Johnny Davis, and anyone else who has the backbone to hold it up.

I, *Rebecca Jackson*, leave all of my ability in basketball, softball, and track to my lovely sister Connie so she can pass along her ability to her sister, and so on, and so on.

I, *Mark Banks*, leave to Rex Terrel my uncanny ability to bend my legs backwards.

I, *Kevin Walker*, leave the sophomores to always strive for the best, no matter what!

I, *Richard Suggs*, leave whatever Don Anderson and Alan Clark are leaving to Lynn Lovett.

I, *Sonya McCullough*, do hereby leave to all those upcoming seniors the pleasure of taking the test to graduate for I did not have to take it.

We, *David Long, Randy Chase, Tommy Allison, etc.*, being of occasional mind and fulltime body, do hereby bequeath the following: 1) our ability to skip class without being reproached by Hankin's 9-iron, 2) our skill at convincing teachers that dogs do eat homework papers, and 3) our supreme excellence at partying like madmen. We also leave it to beaver.

I, *Donna Perry*, in crammed mind and tired body, leave to the upcoming seniors the pain and cramming to get enough credits to graduate.

I, *Lisa Vaughan*, leave my dog imitations to my sister Lori in hope that she will carry on the howl of man's best friend.

I, *Tammy Spade*, do hereby leave my great ability to make "Larry Bowa" plays on the softball field to Coach Watkins.

We, *Beth Keaton and Peedy Parker*, do hereby leave Franklin High School and Mrs. Stevenson with a BIG dent!!

I, *Carol Rubin*, leave my McGavock wardrobe to the Franklin High School Band!

MOST OUTSTANDING BOY AND GIRL

Jill Whitehurst

Walter West

This year Walter West has been chosen as our Most Outstanding Senior Boy. Walter has been involved in the Honor Society, the Student Council, annual staff, and the band. This year Walter is president of the student body. Last year he was a Boys' State alternate, and this year he was voted Most Likely to Succeed. Walter plans to attend Tennessee Tech next fall and major in engineering.

Jill Whitehurst is Franklin's Most Outstanding Senior Girl for the class of 1980. Some of her many achievements are: cheerleading for three years, active involvement on the student council, one year as an officer and two as a representative and Homecoming attendant for two years. This year she was Homecoming Queen and was voted Best All Around. Jill is well known for her spirit and her friendly smile. She plans to attend Nashville Tech in the fall.

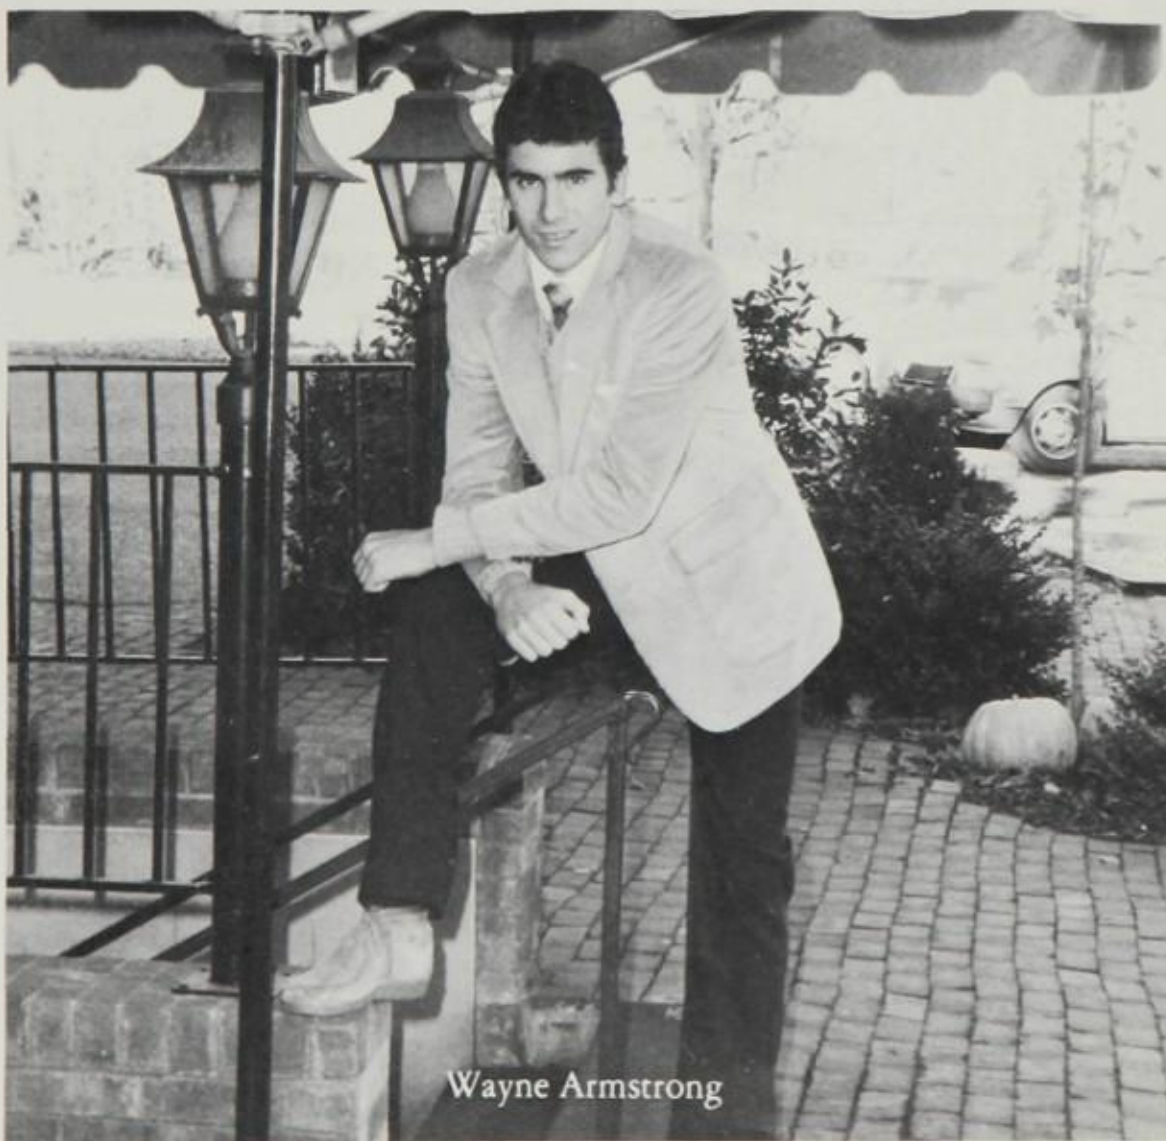

GIRLS' STATE

The 1980-81 Girls' State award recipient is Litia West. Leadership and participation were the qualities upon which she was chosen. Litia is a member of the band and serves on the Student Council as Junior class girls' vice-president. She is also a member of the basketball team.

Litia West

Wayne Armstrong

BOYS' STATE

Wayne Armstrong was a likely candidate for the Boys' State award because of his leadership and participation. Wayne is an active member of the Student Council and of the football and basketball teams.

Frank Roberts

SEWANEE AWARD

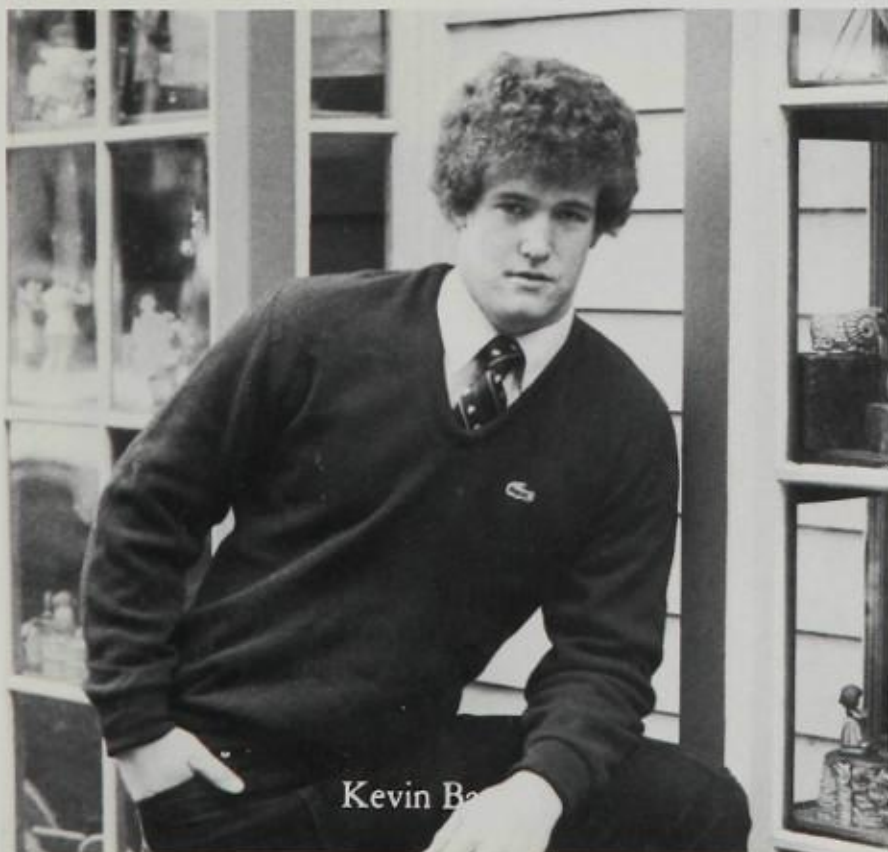

This year Frank Roberts was chosen for the Sewanee Award. He is a member of the band and serves as Junior class president. Frank was the best qualified recipient of this award at FHS.

D.A.R. AWARD

The D.A.R. Award is presented each year to the girl displaying the most outstanding qualities of citizenship, leadership, and service. Because of her devotion to the annual and newspaper staffs, and the Honor Society, Catherine Applegate was this year's most capable choice for the award.

Catherine Applegate

Kevin Barnes

ROTARY AWARD

Kevin Barnes was chosen for the Rotary Award by the faculty. He is an active member of the football team, the Honor Society and was on the wrestling team. Because of his outstanding qualities Kevin was the best representative of this award here at FHS.

Special People

Civil Air Patrol

These three talented students, Mike Betzold, Tim Cartwright, and Kirk McLemore, are members of the Nashville Cadet Squadron of the Civil Air Patrol, the direct air search and rescue of the U.S. Air Force. They have flown dual flight in small aircraft and small single engine aircraft. Mike is the Cadet deputy Commander, Tim is the Cadet Commander, and Kirk serves as flight commander.

These eight students are members of the two all-state traveling soccer teams. They have played games in Tennessee, Missouri and Arkansas. "Franklin Express" received third place in the Germantown Invitational.

"Jerry Reed" received fourth place in the Germantown Invitational. "Jerry Reed" is considering going professional. Congratulations, teams!

Wynonna Judd is a recording artist as well as a country music entertainer. She plays guitar, bass, keyboards, and any other instrument she picks up. She and her mother perform as a duet. They would like to see an album out soon, and they're working on a high energy, totally professional stage show.

More Of Them

"Spirit of Atlanta"

Four of our musical students recently auditioned and were accepted in one of the nation's best drum and bugle corps, the "Spirit of Atlanta." These students, Don Anderson (Baritone), Marco Fernandez (French Horn), Maria Miller (Trumpet), and Denise Tschida (Flag) competed against over 250 people from Eastern America on November 26th for these positions.

Practices are held twice a month in Austell, Georgia. "Spirit" will go on the road with their show in June. They will compete in several competitions including their highpoint, the Drum Corps International Contest to be held in Canada this summer.

"White Water!"

Bruce Johnson, a Junior, is very interested in white water canoeing. He started going with friends 5 years ago, and he now goes on his own.

Bruce likes to canoe in East Tennessee and on the Cumberland Plateau. Bruce says, "It's an exciting sport that everyone should try."

"Lift Off!"

Andy Van Horn has been building and flying rockets for 5 years now. "It started out as a hobby during the summer and now I enjoy doing it all the time," says Andy. He builds the rockets with solid propelling engines. He has also built his own launching pad. His rockets fly approximately 1,500 feet high. He usually flies the rockets in a large open field.

The 1980-81 cheerleaders showed tremendous spirit throughout this victorious year. Neither rain nor defeat could dampen the girls' spirits. FHS is proud to have such fine girls to represent them.

The 1980-81 Rebel team was certainly the best in several years, as they turned in a record of 6-5. This record didn't really show their true strength though. Facing a tough schedule, they played both the number one ranked teams in AA (Brentwood) and AAA (Gallatin), the powerful teams of Hendersonville and Mt. Juliet, and lost two tough games in overtime. The highlight of the season was the 49-6 Homecoming victory over Lawrenceburg. The Rebel's offense led by Wayne Armstrong, who had 873 yds. passing, was a strong one. Tailback, Stanley Ladd, was spectacular as one of the top runners in the NIL with 1385 yds. Fullback, Phil Ericson, had a good year not only as a blocker, but also as a runner with 553 yds. A lot of credit goes to the offensive line. The center of the line was led by Greg Wendzicki and Bubba Purvis, the side with Danny Leverette and Brent Thompson, and on the right, Kevin Barnes. The defense was also strong, led by Reggie Pope, Randy Shaw, and Tony Murdic. Coach Clark with assistants, Laxson, Cartwright, Carothers, and Lavery has built a strong team, through a tough weight program since the end of last season. After seeing the action of a good season this year, the future for the sophomores and juniors looks even brighter. Congratulations on a fine year!

BASKETBALL

BOYS'

This year's boys' basketball team, coached by Tom Hopkins and Danny Chapman, finished the season with a 15-12 record, second in the district. The starting team consisted of five seniors: Cliff Harrison, John Mulvey, Howard Glenn, Kenneth Scruggs, and Vience McCullough.

Cliff Harrison led the team in scoring with an average of 17.4 points per game. He also led in rebounds with an average of 7.3 per game. Vience McCullough had a 52% field goal average, and an average of seven rebounds per game. Howard Glenn had the top free throw percentage of 79%.

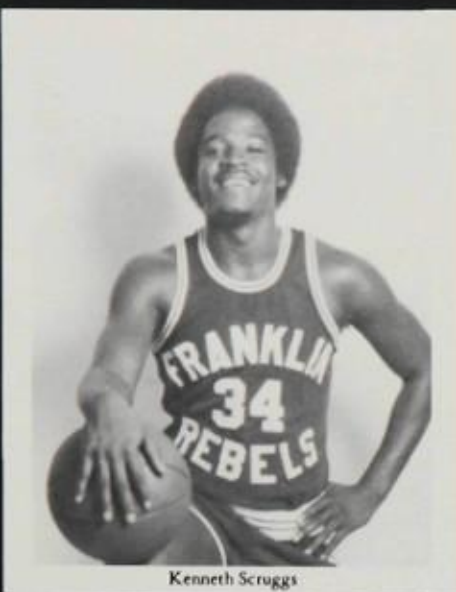

This year's record did not show how good they really were, losing many close games. Even though the starting team was all seniors, many sophomores and juniors saw action.

In tournament play, the Rebels finished first in the District and second in the Region, which put them in Sub-State action.

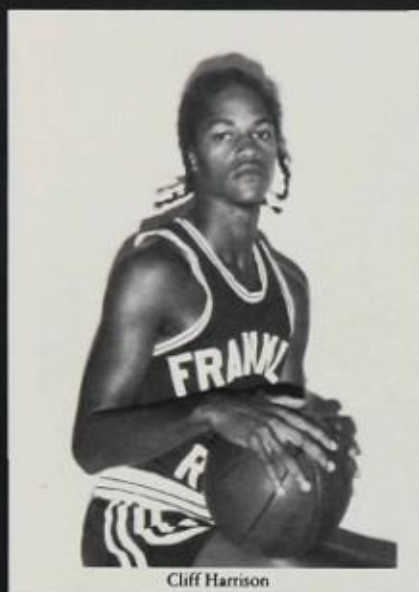

Congratulations on a fine year and good luck next season!

This year's wrestling cheerleaders were Franklin's best. Their tremendous spirit was seen at every match as they cheered their team to victory. Much thanks must go to Mrs. Robison and Mrs. Tyree for their time and devotion to these fine girls. FHS is proud to have such spirited girls.

VOLLEYBALL

The members of the 1980-81 girls' volleyball team are: Tammy Spade, Becky Jackson, Lisa Kreiger, Mitzi McCarthy, Sherri Holman, Connie Jackson, Hylan Hall, Phoebe Cheek, Cheri Roberson, Edie Farmer, Sharon Bowan, Meg Bracey, Marty Weaver, and Wendy Booker.

The team might not have had the best record (2-16), but they gave it a tremendous effort. Coach Larry Watkins is a great coach and keep in mind, there is always next year.

The people of Williamson County, and most of all the Franklin High School Band Boosters.

The 1980 Franklin High School Marching Band was better than ever before. The band practiced a little bit harder and a little longer, but all of the extra practice paid off in the end. The band's list of awards and titles include: 1st in the Vanderbilt Open; 1st Class A, Challenge Cup, Best in State Band in the Tennessee Valley Invitational; and 1st and Challenge Cup in the Columbia Marching Band Invitational. The biggest goal that had been set and that had been at the band's fingertips for some years was finally reached. At the close of the marching season, in October, at the Contest of Champions, Franklin band was awarded the Governor's Cup and was the Tennessee State Marching Band Champions!

Many thought that the Governor's Cup was the top of the mountain, but on December 31, at the Great Bands of the Orange Bowl Contest, FHS's great band was crowned National Marching Band Champions! Congratulations to the Franklin High School Band from your fellow students and the community!

Angela Rockovich

Sherrie Parrish

ORANGE BOWL

"LOOKS LIKE
WE MADE IT!"

The band started gathering in the Franklin High cafeteria at 5:30 on December 27. After loading instruments, luggage, and students, it was off to the Orange Bowl! The next day, following a practice session at St. Cloud High School in Kissimmee, Florida, the band competed in the "Great Bands of the Orange Bowl" competition against eight other bands. When it was announced that Franklin High had won first place, the stadium went wild!

The days following the competition were filled with such exciting activities as a boat tour and a trip to the beach. On New Year's Eve, the band had the honor of marching in the Orange Bowl Parade with a banner indicating that they had won the "Great Bands of Orange Bowl Marching Competition."

After the parade, the band spent New Year's Eve traveling from Miami to Orlando where they visited Disney World.

After a long and tiring journey home, the band was greeted with a police escort and a reception in their honor. Among the people there to greet them were students, parents and many public officials, including the Mayor and a representative from the governor's office.

Like the seniors sang at band camp, "Looks Like We Made It!"

MOONLIGHTERS

Many of our students here at Franklin High School have part-time jobs. These students are hard-working and industrious. The jobs are there for the taking if you will just search them out as these students have. These students seem to enjoy their work while making the big bucks.

F U N A N D G A T N S

Mrs. Wendell has always enjoyed working with people and she says one of her favorite groups is tourists. During college summers she sold tickets for the Grand Ole Opry and relayed information about Nashville as a hostess. Also, Mrs. Wendell worked the yearly country music celebration, Fan Fair, which is held the first week of June. Besides meeting numerous fans from all over the globe, she has also met several of the big name entertainers, including her favorite, Dolly Parton. "My college education has not gone to waste during this time — I have assisted the blind and interpreted for the deaf. They too enjoy the celebration even with impairments," says Mrs. Wendell.

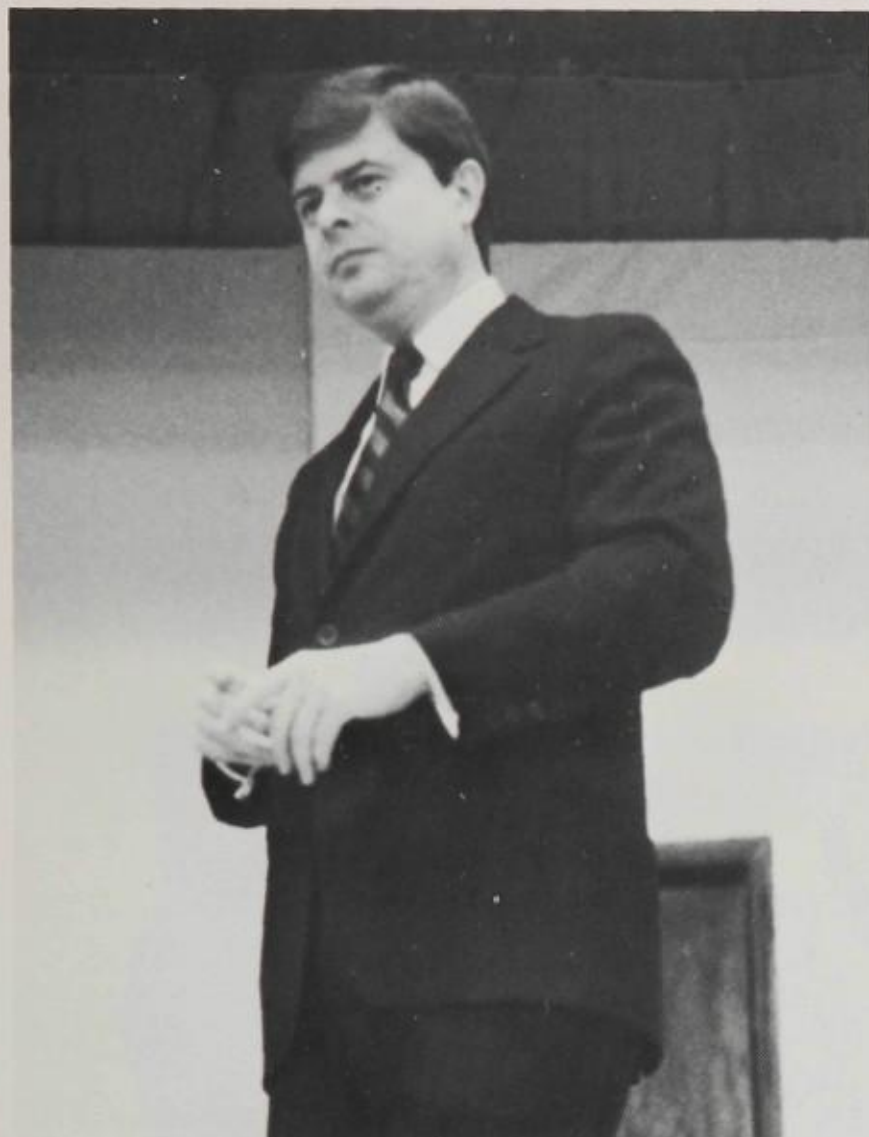

Mrs. Reese has been playing tennis seriously for the past 6 years. She usually tries to play 3 or 4 times a week. Last summer she won the singles and doubles tournament at West Meade. When the ratings came out last fall, she was happy to find that she had been ranked number 1 in the Women's Open Division in Nashville. We congratulate Mrs. Reese for her accomplishments.

For more than 20 years now, Mr. Eugene Wade has worked part-time for Meharry Medical College and Hubbard Hospital in Nashville as a PBX Operator. He has worked exclusively the night shift — 11 p.m. — 7 a.m. The job includes answering incoming calls, paging doctors, contacting personnel when emergency surgery is necessary, and giving reports on patients to callers. Mr. Wade recalls, "One night while the traffic was slow I went to sleep. I woke up to the sound of a beep and the caller asked about some patient's condition. I inadvertently went back to sleep. About two minutes later I realized that I had not given the caller an answer. I forgot the name and went back in on the call saying 'I am having difficulty spelling that last name.' I was quickly told by the caller that the name was 'Jones' dummy, 'J-O-N-E-S.' Needless to say, I was very embarrassed. However, it has been a rewarding experience over the years."

Two teachers at Franklin, Mrs. Shirling and Mrs. Comer, are members of an undefeated volleyball team. Mrs. Comer's husband was the coach of the "Unknowns." Their team was the first co-ed power volleyball team organized under the Franklin Recreational Department. To play on this type of team a person must be 21 years of age. The team must have at least 3 women on the court at all times. If the ball is hit more than once on one side of the court, a woman must hit it. Congratulations to these city wide champions!

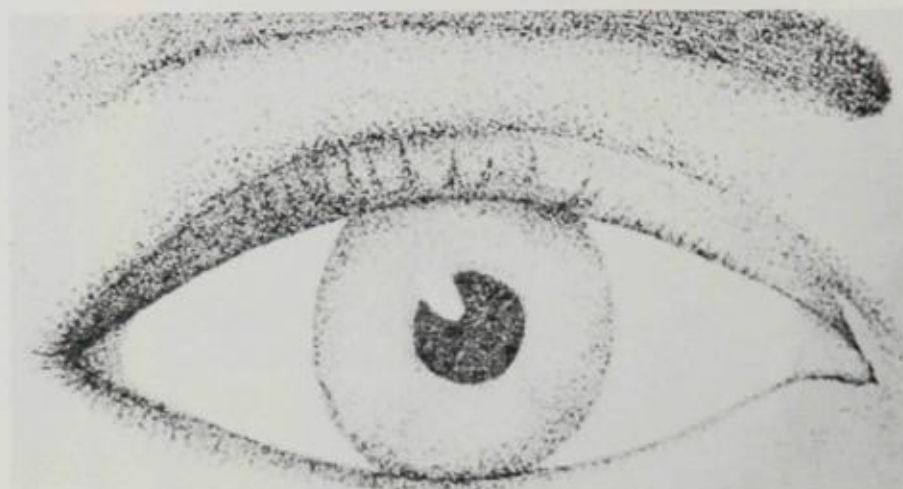

Sasser Comes to FHS

On Thursday, January 15, we had the honor of entertaining Senator Jim Sasser. While here, he gave a soul-stirring speech on our future, our past, and our ever-changing present. A student panel was given the opportunity to ask questions. Senator Sasser enlightened us all with his invigorating views on democracy. While here, Senator Sasser also presented an American flag that had flown over the capitol in Washington to the school in honor of the Franklin High Band.

EDITORS' CORNER

What's the deal, Pughface? I believe all aspects of divine inspirations have been exhausted at this point in time! What to do and what to say as our final entry into the 1981 CORNERSTONE?

Well, why don't we just forget it!

YEAH RAH! Get real woman, we've got to say something profound and neato-keen!

Well, I hate to tell you this, but right now I'm floating on the sea of despair! I'm speechless as to something to say profound! What does it mean anyway?

Just forget it for now! I think we need to thank a few people. First of all, the entire staff for all their hard work and terrific cooperation! They've just been sweethearts! HA! HA! Special thanks go to:

Karen Williams

Brenda Darnell

Carl Pike

Judy Hensley

Bob Kerr

Shirley Dodd

Maureline Wall and

Matt McClendon for his cover design.

And we can't forget all the help given to us by:

Well Pugh, you did a terrific job! As we approach our last days as editors of the FHS annual, doesn't a sentimental tear come to your eye?

Not really ... it's more a sigh of relief! Even though it was a lot of work, I think it's been worth it! Without the staff's cooperation though, we could have never done it!

So true, so true. Well, it's time to say so long, farewell and to wish next year's staff good luck!

Well, so long, farewell and good luck to next year's staff!

YEAH-RAH! Okay Terrie, this is for you! profound — (adj.) 1. of very great depth; unfathomable. 2. intellectually deep; thorough. I hope you can use this next year in college.

If we could capsuleize time,
Full of fragmentary joys,
Into a concrete block
Made to hold and preserve
Those precious memories.
We would mold it

and hold it

And search for a place
For safekeeping.
One that would keep them perfectly vivid,
One that would guard them through eternity;
A foundation on which we would build our lives —
A road that would guide us as we grow —

A basis —

A cornerstone.
